Dear Bill:

STATINTL

I certainly appreciate the arrangements made by your representative [redacted] for an outstanding briefing and presentation on September 16, 1974, to Bill Reed of my office and Andy Decker and his associates of the Computer Systems Division. I would appreciate it if you would relay my thanks to Harry E. Fitzwater, Director of the Joint Computer Support, DDA, and his people for spending the greater part of their day to most adequately brief our people on some of your current computer operations.

I appreciate and hope to foster this cooperation between our organizations.

Sincerely,

*Clarence.*
